NEW PRODUCTS

Sweet Honey ▼

Kichler's new Millry Collection by Stephen Blackman features Honey Marble glass shades and a two-tone finish, layering Olde Bronze and Cashmere. The collection includes five chandeliers, a wall sconce and a drop pendant. www.kichler.com

▲ Glowing Garden

For the individual with a green thumb but limited space, Caleb Siemon and Carmen Salazar designed this grow light, specially suited for tropicals, orchids and fresh herbs. Made of hand-blown crystal, the light comes with a watering bottle, planting medium and instructions. Plants available upon request. www.calebsiemon.com

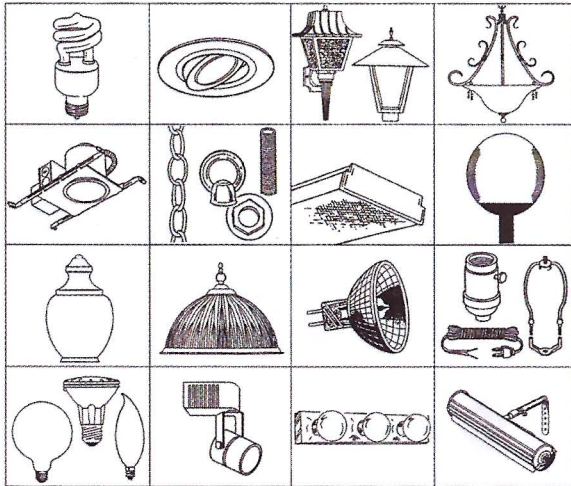

Crush on You ▶

The dramatic Tower of Love Shattered Collection from Edge Lighting features a cone shade with an intricate crushed glass mosaic pattern and an inner layer of gold or silver leaf. Shades come in Golden White, Silver Clear, Lite Amber, Golden Amber or Golden Burgundy (shown). See more from the company at Lightfair Booth #629. www.edgelighting.com
